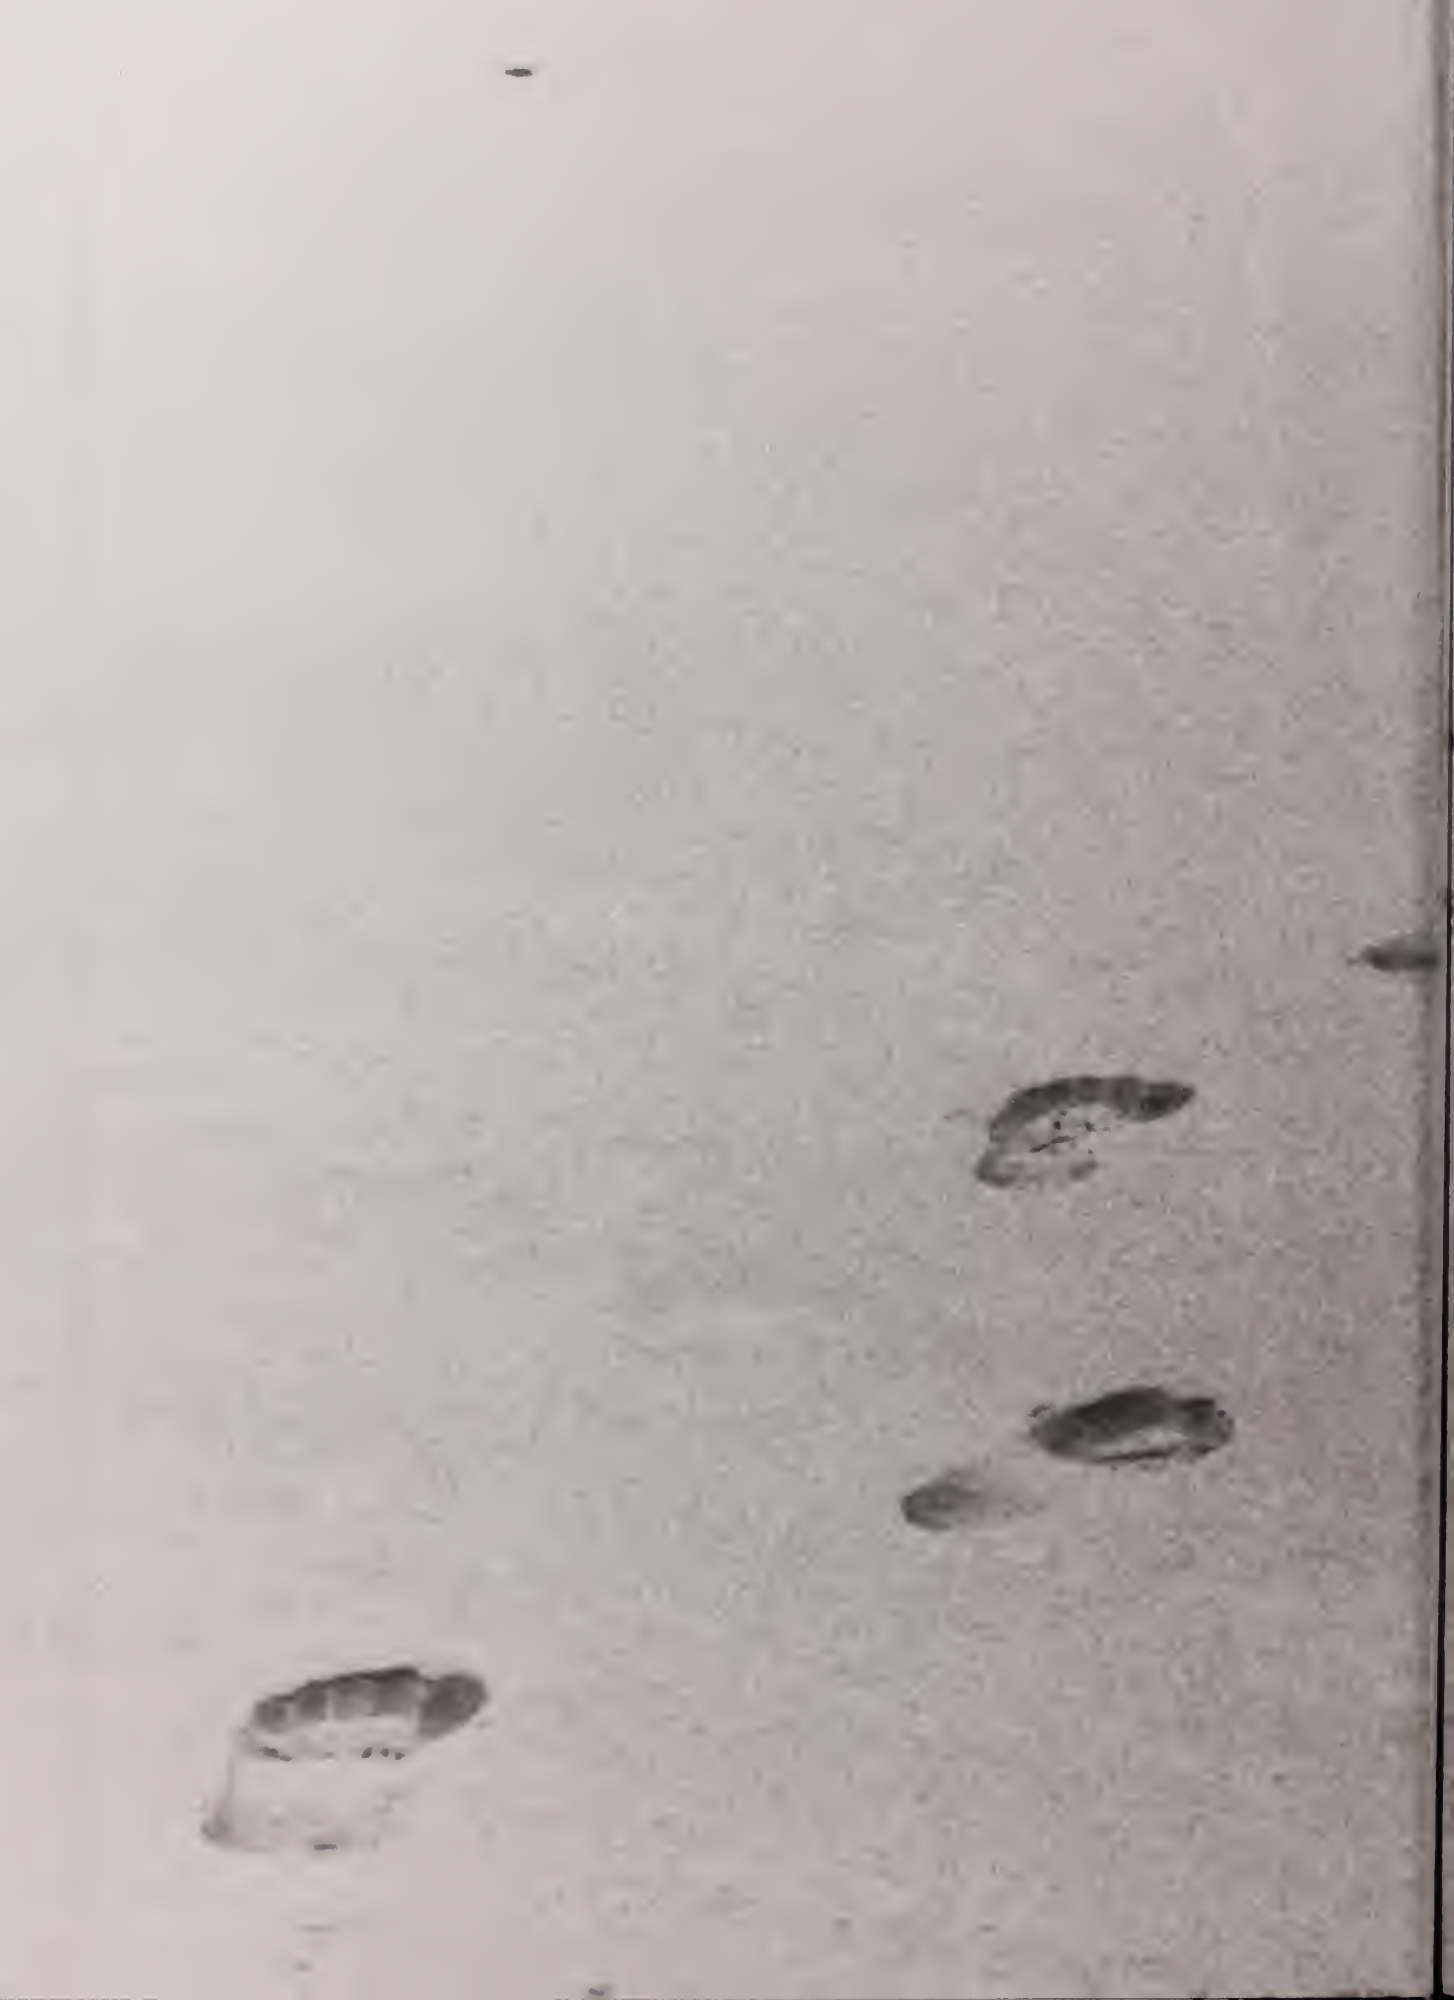
# Footprints in the Sand



To Childhood:

## O LITTLE FEET!

O little feet so infinitely sweet,
Running with eager wonder to and fro,
Untouched by care or woe.
Often when tempted to chastise your wilfulness,
I think of the long road that lies ahead -
The unknown path your untrained feet must tread,
And bless instead
The little feet
That have so far to go!

O little feet on Life's hard, hurrying streets
You only know its glory and its charm
And you are safe today
From hurt and harm.
But, O, tomorrow!
On that unseen way,
What nails may pierce, what cross may meet
These little feet
That have so far to go!

O little feet! Each radiant dawn you greet,
And still, in dreams, adventuring you go.
May your small steps be ever light and gay
And shod with joy always.
And when the bright hours of childhood cease,
God lead you on in paths of peace
And where still waters flow -
Dear little feet
That have so far to go!

- Helen Rogers Smith

# FACULTY

We, the Class of 1993, were stumped when beginning to write a few words about the faculty. How do we convey four years of sentiments into words? You've all made a great impact on our lives here at I.H.S. You must have had your doubts about us upon our entrance into high school back in 1989, and maybe still do! You've encouraged us to be ourselves and to excel to our highest potential. Your patience, dedication, and understanding has helped us through the past four years and will help us to go on and achieve our personal, highest aspirations. Although you may not hear it often enough or feel appreciated all of the time, we thank you.

Words from a senior...

What can we say about you freshmen?! You didn't seem scared or intimidated upon entrance into the High School. You didn't seem to let comments or looks phase you. You didn't seem to hesitate to sit at a "senior table" in the cafeteria at lunch. You didn't seem to care about the unwritten "code of respect" towards upperclassmen. Your sarcasm and wise attitudes never seemed to amaze me. Some of you experienced a worse academic slide than the seniors. I do have one positive comment for you freshman girls however; at least you know how to recycle and share! (That last remark is regarding your dating record). High school wasn't that big of an adjustment for you girls due to the fact that you had dated half of the senior guys by the time you entered school in the fall. I must say, you are a truly unique class and very fortunate to have been freshmen while we were seniors. Things have certainly changed since we entered high school in 1989! Despite our opinions, we wish you luck during your next three, <u>looong</u> years here at IHS!

# SOPHOMORES

We entered high school pretty confused and rather immature. However, after conquering our initial fears about IHS, we settled in comfortably and felt a part of the school. We placed second in Spirit Week, beating the seniors and freshmen! Next year we'll come in first, of course. Above all, our class, the Class of 1995, has finally come together as one to become a strong contributor to the atmosphere here. We have only two years left. As a class, let's make them the most memorable!

# JUNIORS

Throughout the past three years, the Class of 1994 has maintained many friendships. States one junior, "As freshmen, we encountered a new surrounding. By sophomore year, we began to get acquainted with the school. Now that we're juniors, we're working hard to make new friends and still keep the old ones."

The time has gone by quickly. Therefore, making the most of it is important. This junior class has many hopes and expectations to pursue, but now it's time to have fun and enjoy the remaining year!

# SENIORS

In 1989, the Class of 1993 entered the doors of Ipswich High School. Some entered with fears, some with high expectations, and some who just wanted to graduate. Along the way, new students, good friends, have joined our class and become an important part of our lives. We have matured and learned to get along with one another. We now respect each other's individuality and know that our differences are what make us each different and special.

As any class, we have experienced trying times. Our valuable friendships and loyalty to each other have helped us through those times and provided us with the support and encouragement to move on.

We never believed those who told us that our high school years would be gone before we knew it. While some days and weeks never seemed to end, looking back, four years passed only in an instant. Our yearbook, Footprints in the Sand, is dedicated to each and every one of our childhoods. Childhood is a magical time of a person's life and a sad episode to leave behind. We're ready now, after making the journey together, to go on and pursue our now present, once future, dreams.

Moving on to graduation after years of shared laughter and tears, we may lose our unity as a class, but never the many special memories formed over time. Have the confidence to achieve and, always, leave your footprints.

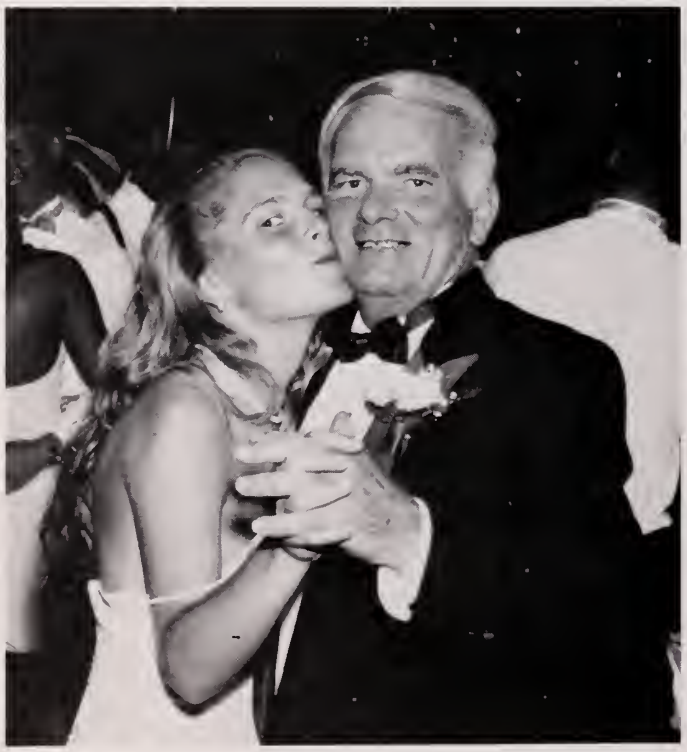
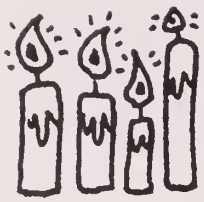
# One Wonderful Night

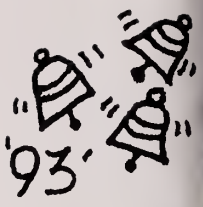
The Class of 1993 partied through their Junior Prom at the Hellenic Center on May 30, 1992. To some the night was full of magic, excitement,and much fun; to others it was quite the opposite. As Colleen remembers,"The date from hell!". All in All we had a great time. We'll remember the spectaculur gold, turquoise, and purple decorations, thanks to Mrs. Martha Hopping and the decoration crew. The memories of that night we will all share. According to Kelly,"My best memory was the unity of the class, and there was a delightful atmosphere-much more fun than I had ever expected." It truly was a wonderful night.



Sr. Prom 1992



# CHRISTMAS CHEER



If an outsider had walked into the cafeteria at 1:30 pm on Wednesday, December 23, he would have walked in on segregated, somber tables of students. Fifteen minutes later, however, one could witness 90 CLASSMATES engaged in a frenzied, holiday bash! Artistic renditions of stick figures and other mysterious objects were displayed in a crazy game of Pictionary. The four class officers became jolly Santas as they hurled surprise Christmas gifts to anxious seniors. Simultaneously, we ripped open our cheap Woolworth's wrapping paper to discover identical Class of 1993 tee-shirts. (Sorry Seth and Bobby Michael"s")!!! Clothed in our new, sporty attire, we captured the Kodak moment in a group photo. The hour ended with a feast of cookies and chips and a holiday serenade by class president, Ana Wile, and B.B. Nagle. Feeling unified and Christmas spirited, we piled into our so-called automobiles and sped off to an application-filled vacation, passing for the last time in 1992, the all-too-familiar, infamous sign pointing to "HELL!"

# CLUBS AND ACTIVITIES

## BROADWAY BOUND

It may seem crazy but these vibrant students actually enjoy rehearsing in the cafeteria until 10:30 some nights. These dedicated students' schedules are usually cramped with schoolwork, extra-curicular activities, and athletics.

The year was off to a great start when there was standing room only during the two consectutive showings, of The Sound of Music. For the first time a Sunday afternoon show had been sold out! The second performance turned out to be the longest in history, when the hills seemed to be alive with the smell of smoke. Mrs. Faust stopped the play, hauled out the fire extinguisher and put out the flaming backdrop.

The Company of IHS performed T. S. Eliot's Murder in the Cathedral for competition. Our talents were put to the test when we finished the year with a student directed play.

Once agian Mrs. Faust showed incredible tolerance and dedication throughout the year.(Especially when the rehearsals got pretty rowdy!)

# GETTING DOWN TO BUSINESS

National Honors Society has had a slow but steady start to this year's commitment to community service. Although we all consistently missed our project proposal deadlines, **most** of us manage to attend the meetings. Brett Budzinski stands alone as our true ghost member, but he is always there in spirit. Contrary to popular belief, we have succeeded in raising $850.00 during our American Heart Association Phone-a-Thon, notifying senoirs of college events, and outline activites and clubs for incoming freshmen. Slotted for the future are: a dinner for the homeless, a clothing drive, and a welcoming brunch for inductees. Some personal projects include: the Big Brother/Big Sister Program and peer tutoring. Overall the year has been both productive and fun.

# OUR FUTURE POLITICANS

The political science close-up group once again raised the funds for their annual trip to Washington, D.C.. They held a dance and recieved a donation from the Rowley McDonald's, in hopes of obtaining enough money to travel to our nation's capitol. The 1993, ALL FEMALE, politically aware group visited D.C. for one week, in the middle of March, to learn more about our country's government. We know you really went to shop in all those great underground malls!

# PEOPLE HELPING PEOPLE

With the help of many new people, the Leadership Project was very successful this year. Our main goal was to create new ways to reduce alcohol and drug abuse within the school. The dialogue nights proved successful in addressing these topics, and encouraging students and adults to speak out. The teacher and student dialogues helped express everyone's concerns about IHS. The members of the Leadership Project hope to put these ideas into action, and by so doing hope to see changes within the school.

# BONS ARTISTES

We are fortunate to attend such an artful school filled with talent and imagination. Several of the school's painters, drawers, sketchers and sculptors experiment with and exhibit their creativity and skill after school in the Art Club. The members encourage each other to venture beyond the obvious to reveal their true abilities and conceptions. Above all, these "bons artistes" have fun while creating their "masterpieces!"

# A MEETING OF THE MINDS

Who won the first Superbowl?
What are Van de Waal's forces?
What are the ingredients listed
on a Coke can?

These are just a few of the questions one might encounter at a College Bowl meet. Six times a year, students from area schools gather in a competitive battle of brains to determine which school will dominate as the masters of trivia. The questions are limitless, so even a team of four can get stumped. No matter what the final score may be, however, each team is sure to have a few laughs, including our own I.H.S. College Bowl team. Sometimes, guesses can be weirder than questions!

# DOING THEIR PART

"You know where it has been and you're still drinking it!?" "Don't throw me in there!" "I wish that we could get some music, Joss." "It smells too good!" "Fruit flies, fruit flies, in my hair!" Those are just a few of the statements that one might hear when encountering the Recycling Club. I.H.S.'s dedicated environmentalists work hard to make sure that our school remains environmentally aware and disposes of recyclable products properly. Thank you Recycling Club members for putting up with fruit flies and the persistent odor in the girl's locker room!

# OUR CREATIVE REPTILE

"The Chameleon" is our literary magazine published by seniors, in their English magazine class. It is famous for its poems, short stories, photographs, artwork, and, of course, radio advertisements. There are two issues put out each year; one in January and the other in May. "The Chameleon" is challenging and takes a lot of effort, but the seniors can handle anything and make it a success!

# JOURNALISTS IN-THE MAKING

With 24 members, we may be the largest Journalism class to date. We pioneered through the basics of journalism,(the LT-QT-LT method) to the art of news writing. We brought the news to IHS even when we thought we drained the "article topic" tub dry. Thanks to Sarah and Hilary's hard work, each Tiger Transcript was a literary masterpiece. We may not all be future Journalists,but we had fun!

# LEARNING HOW TO SPEAK

Here's some free advice for next year's seniors: DO NOT make being late for class on Friday's a habit! If you can drag yourself out of bed and get over your fear of public speaking, it is the class for YOU! Brett's dramatic "Casey at the Bat," Dan's raving Spoon River character, Emily's "Red Lips," so many performances will be remembered.

# WRITERS FOR FREEDOM

Flipping through any newspaper, one would likely spot an article regarding the occurrence of a political injustice in the world. Amnesty International is an international organization acting on the conviction that governments must not deny individuals their basic, human rights. Here, at Ipswich High School, several students are utilizing their freedom of speech by writing letters to fight for the freedom of others. Letter writing has proven surprisingly effective. A prisoner from South Africa stated, "The government doesn't want to admit they released somebody because of pressure, but they do. They would say, 'Who are all these people writing letters? Why can't they leave us alone?'" That is what Amnesty International is about.

# MUSIC, THE INTERNATIONAL LANGUAGE

This year's concert band experienced a slight culture shock because Miss Gould, the new exchange teacher from Great Britain, has temporarily replaced Mr. Dolan. Although it has been difficult to understand some of Miss Gould's frequent vocabulary, ("Tootie", Simitones", and "Register"), it has been an interesting, educational year full of rainy football games, disorganized parades and Christmas concerts at the mall. While some band members have complained of recent changes, many have welcomed Miss Gould as a fresh force in the world of dreary practices and repetitive performances of "Soul Man" and "Batman." She has managed cheerfully to put up with Jon Keller, and we all respect her for that, at least.

# COME SWING WITH US!

This year's edition of the IHS jazz band was relaxed and extremely enjoyable for those members who showed up for rehearsal. Praise should be rewarded to the fearless leader, Mr. Stamas, who has been filling in for Mr. Dolan. He has been faced with a myriad of predicaments, such as Jon Keller strolling in during the middle of rehearsal, Dave Langlais hogging solo time at our first concert, or our drumming situation, or lack there of. Over all, it was a good year. Senior virtuoso, Jeff Shoreman, was called on to pick up his band members by their heels, and he sure did. He, along with the senior rhythm tandum of Jon Keller on piano, Pete Smith on bass, and Todd Giles on guitar, could all be interchanged with the count bassie band. They will all be sorely missed next year. May the IHS jazz band always enjoy renewed success and it's members live long and prosper!

# A SINGING SUCCESS

This year's concert choir has almost doubled in size from last year. Among the many new singers, the chorus has many talented vocalists. One of the brightest new stars is an alto, Jessica Dudek. At the Northeast District Tryouts, many people auditioned. Congratulations to Seth Gooby, Sandra Wilson, Allen Klinger, Justin Serafin, Elisa Salerno, Matt Allen, and Remy Luerssen for making it! Both Seth and Sandra went on to the All-State Chorus.

This year's concert choir may be one of the best choruses IHS has had in recent years. Each of the four sections is well represented by talented, dedicated singers.

# TOP OF THE LINE VOCALISTS

Bel Canto is a selected vocal group, meeting twice weekly singing pieces ranging from classical to Broadway. They have performed at many concerts, recitals, and banquets. There are eight girls in the group this year, and we have a great time together singing, dancing, and driving Mrs. Tallaksen and Mrs. Sheppard absolutely crazy!

# MUSICIANS OR MATHEMATICIANS

Even though we're always ranked near to last and are forced to compete at "The Best of the Worst Tournament," we still keep our tiger pride. Math League is quite the intellectual experience. We manage to stay occupied on those long bus rides with Ipswich gossip and deep conversation to the sound of the harmonica in the background. We're not all "nerds" either as our head, Mike Penniman, might claim. We're just a variety of high school students who appreciate a good math equation and really know how to multiply.

# DON'T FORGET YOUR GOGGLES

The Science League meets once a month to match wits with science students from across the state. Even though the top science students represented Ipswich, the Science League's record was questionable at best. Led into battle by the creditable, Mr. Pete, the small group of valiant individuals gave their all.

## Our "European Vacation"

Last April vacation, eleven students and two chaperones travelled to Madrid and Paris. After a long plane ride, we arrived in the beautiful city of Madrid. Pam, watch out for closets! "I'm Crazy For You"- we're sorry for not waking you up, Ellen! We will never forget the 16-hour train ride from Madrid to Paris in the tiny couchettes. The Eiffel Tower at midnight, endless French bread, Le Louvre, and dancing at La Loco are just a few of the unforgettable memories of Paris. It was definitely a week to remember! Please...no more bus tours!!!

# CONGRATULATIONS I.H.S. ATHLETES!

# COURAGE

A great man once said that the mark of a great team is courage. That being the case, the Ipswich High School freshman and junior varsity football players truly proved themselves great.

Coming into the year, one would have questioned how a team of twelve could even play in the highly competitive Cape Ann League. However, led by a solid core of players, and marked by tremendous versatility, the freshman team strormed to an undefeated season.

Finding themselves outnumbered week in and week out, the junior varsity team started out slowly. Their hard work and perseverance showed more each week. They finished one of the top teams in the league with a record of 4-4-1.

**Captains:** A. Nagle and B. Budzinski

As the 1992 Ipswich High School varsity football team began their pre-season training, they realized that they had one major obstacle to overcome. That obstacle was to maintain their reputation as Cape Ann League and Division 4B Superbowl champs. With the leadership of co-captains Alex Nagle and Brett Budzinski and second and third-year players like Jeff Vitale, Bobby Michael, and Mark Kilgour, the Tigers knew that victory wasn't too far out of reach.

Added to the team were newcomers Paul James and Drew Wile. When the Tigers found out that they had Marc Greenleaf back from a sophomore injury, they knew that they had the makings of a championship team.

The one problem facing the Tigers was a young line. As the weeks progressed, however, the line consisting of four juniors and one first-time senior grew together to be what was considered the best line in Division 4.

The Tigers started out six and zero with wins over Martha's Vineyard, Amesbury, Triton, North Reading, and North Andover. In the seventh week of the season, the winning streak was only temporarily interrupted by Lynnfield. Focus, concentration, and determination were regained and the Tigers once again dominated. They beat Masconomet and Pentucket in the next two games and then Hamilton-Wenham in the notorious Thanksgiving Day game. All Ipswich fans who attended that cold, wet game left the stands filled with beaming pride and excitement, knowing that their team had achieved their second, consecutive Cape Ann League title. With an outstanding record of 9-1, the Tigers were ready to face Hull, also with a 9-1 record, in the Division 4B Superbowl.

# NO ONE THOUGHT THEY WOULD DO IT AGAIN

The glory was more than enough in that great season of 91', but that once in a lifetime opportunity came knocking at the door "one more time" for I.H.S.' varsity football team. The 1992 season, with nine wins and a lone loss, was the result of hard work and determination. Well, all that hard work and determination paid off, as it gained us another chance at that state title.

It was a frigid day on December 5, but what a day for a football game. The freezing cold air, the mud, the snow and the scent of hamburgers and kitty litter in the air- it truly was going to be a great day at the shoveled field of the Tiger Dome.

As the family, friends and fans of the Tigers and the "incredible" Hull Pirates poured in, the two teams prepared for what could be the best football game they would ever play in their lives. Coach Welch recited wise and heartful words to the Tigers. The saying, "pain is temporary, pride is forever," was dancing in everyone's heads. The players then kneeled down for their final prayer of the 1992 season, and headed out the door to the screaming Tiger Dome.

The crowd of over 5,000 that day were in for an exciting game. Hull came out strong with an 82 yard touchdown on the opening kickoff, and an intercepted pass on the Tiger's first offensive drive, running in for a touchdown, (which thankfully didn't count due to a penalty). It looked like it would be a long day for the Ipswich Tigers. Ipswich then struck back as q.b. Brett Budzinski hit Marc Greenleaf in the endzone with a 14 yard pass. The kick was good and Ipswich led 7-6. In the second quarter, Hull scored on a 6-yard quarterback sneak. Greenleaf made a beautiful reception at the 1-yard line where Budzinski brought it in. Hull superstar, Eric Matthews, scored on a 2-yard carry with 4:55 left in the half, giving Hull a 19-14 lead with less than two minutes left in the half. It was 4th and 8 at the Hull 46. Ipswich went for it, and Paul James was left wide open, catching the pass for the touchdown and the lead at halftime, 20-19. The two teams went to their locker rooms for a well-deserved halftime.

Ipswich was known all season long for their second half explosions, and did it ever happen that day as Greenleaf set the tone with a 72-yard kickoff return. The crowd was roaring, the players were pumped up, and Marco was dancing in the endzone! So, Ipswich began its third quarter slamfest with Greenleaf scoring again on a 6-yard drive and yet another amazing feat by Paul James. He caught a 28-yard pass for a touchdown. Hull didn't score that quarter and it was 40-19, Ipswich. Hull tried to make a comeback in the fourth quarter, gaining 14 points and giving Ipswich none. It was 40-33 and Hull's final drive was stalled when "His Royal Redness," Mike Garniss, sacked the Hull quarterback and the "Great" Greenleaf pounced on the fumble. Hull then just couldn't connect and Ipswich ran out the clock and won their second superbowl title.

A truly dedicated player knows no limits on that field, and victories are not won from limits, but from doing more than what is expected, going beyond to achieve what one truly desires. That is the mentality of this team, which is the true winning spirit!

# A WORLD CLASS TEAM

The 1992 soccer team pulled out a record of 8-7-3. The only setback this team suffered was a late starting season. The team ended up being one win away from playing in the tournament.

A spectator at a boys' soccer game would witness a variety of players. The soccer team consisted of players from around the world. These players brought many new playing techniques to Ipswich High School. "Sometimes it was hard to understand each other!" stated Grahm Schmidt. "Half the team spoke in a variety of different languages," he added.

This year the team got a new coach. Coach Bodwell helped everyone come together and taught them how to win as a team.

# NOT JUST ANOTHER LOSING SEASON

Once again, the I.H.S. girl's soccer team was not very successful with winning. What else is new?! We went up against some pretty strong teams, and played the games of our lives. We left the opponents' coaches in shock. Then there were the teams that we were ready to kill; and wound up walking off the field with our heads hung low. Our biggest enjoyment, next to carrying the nets back and forth from field to field five times, was winning homecoming. With spirit and determination, we dominated over Newburyport and sent them straight home with the figures 9-0 stuck in their heads! They couldn't believe they were losing to Ipswich. After that, we went on to tie North Reading and shut out Triton 2-0. It was not a big season for us, but we will always hold fond memories of our ten minute workouts!

# CHASING A DREAM

In the beginning, there was only a stick and a ball. After a strenuous pre-season, the instruments transformed into powerful weapons of victory. The athletes evolved into a spirited team bound for success. Shelby's card collection started early at the jamboree. Later in the season, we returned to Boxford for the Masco massacre. We left the field with a tied score, two broken fingers, and a bloody nose. Hamilton-Wenham and Lynnfield were the next to fall on our trail to victory. They were dubbed our best games. During homecoming, we maintained our reputation for being the rowdiest and most spirited team. Our enthusiasm revived us after falling behind two goals at the half. We came back to recapture what we had lost, but the game ended in a 2-2 tie. We traveled to Rockport and ensured our invitation to the state tournament. Manchester arrived in Ipswich expecting yet another explosive success. To their dismay, the scoreboard tallied only 1-0. The long awaited post-season play ended in a depressing defeat. It was our anxiety, not our ability, that was to blame for the Tyngsboro three goal sweep..... ...Then there was darkness.

# A SWING AT VICTORY

1992 was a strange year for the Ipswich High School golf team. The team started off the season by winning their first three matches by a combined score of 16.5 to 1.5. When top player, Greg Poor, was ruled ineligible by the MIAA, the first three matches had to be forfeited.

The Ipswich High golf team finished the season with a record of 15-3-2 and in second place in the Cape Ann League behind Hamilton-Wenham. Although they did not win the league, they did win enough matches to compete in the State Qualifying Tournament. It was held at Putterham Meadows on October 30, 1992. They qualified by shooting a combined score of 332. The team qualified by five shots and missed first place by three shots, and will play in the Team State Championship in the spring. The place and date is yet to be determined.

Both Scott Knox and Mike Washnock qualified early in the season for the CAL Individual Tournament at Far Corners. Mike won the tournament with a 75 and Scott came in second place with a 76. Congratulations! Recognition should also be given to the following people for receiving awards at the golf banquette: Mike Washnock ( MVP), Scott Knox (Coach's Award), Jonathon Keller (Unsung Hero), and Steven DiPalma (Sportsmanship Award).

# KEEPING THE TIGER SPIRIT ALIVE

Although our squad was small this year, we managed to keep our spirits high. We worked very hard at practices to make ourselves look the best that we could. Our main goal this season was to support each fall sport and to keep their enthusiasm alive. We enjoyed cheering for all of the teams. It was a memorable experience to cheer for our football team at the Superbowl for the second year in a row!!! Hey Steph- Who was that mystery man under the gorilla suit anyway?!

# IMPROVING THE SCORE

After a mediocre season last year, the Ipswich High School boys' basketball team looked much improved coming into the 1992-93 season. The layover from fall sports caused a slow start, but the Tigers picked up the pace right in time for the holiday season. It began with the Haverhill Christmas game, when the team finished runner up in their division. From there, the team ripped off six straight wins to finish the season at nine wins, ten losses, (9-8 in the Cape Ann League). The streak continued with a tourney win over Manchester in the first round. The season ended, however, on a sour note, as the team found themselves over-matched and out-gunned, falling to defending North Sectional Champion, Dom Savio.

# POWER

The girls' basketball team has come a long way. Both the varsity and junior varsity teams had strong winning records which illustrated great team work. The girls showed lots of ambition right from the beginning of the season. As the season progressed, their talents blended to form a competitive team. The team had to compose itself to face the pressure of more experienced teams, not to mention the excitement of overtime! To top off an excellent season, the I.H.S. girls' basketball team went on to play in the C.A.L. tournament.

# PLAYING FOR PRIDE

This year's Tiger Hockey Team got off to a rough start. They didn't exactly bolt out of the starting gates. At the half-way point in the season, they had a record of 1 win and 9 losses due to injuries, suspensions, and vacations. After they got every player back, including the valuable seniors, they played like a team. Throughout the last nine games, they managed 7 wins and only 2 losses to finish the season with 8 wins, 11 losses. That record was good enough to place third in the league. Next year the team will lose many very significant seniors, but with the young talent still remaining, the I.H.S. Hockey Team should do very well in the coming years.

**T to B, L to R:** Coach Mike Lupi, Evan Parker, Mike Callihan, Rich Kellow, Chris Monteiro, Peter Bartniski, Doug Grey, Marc Greenleaf, Corey Rousseau, Greg Poor, Drew Wile, Dan Hughes, Tim Hanson, Aaron Lemmon, Coach Tim Bly, Jason Silva, Barry Eaton, Ben Taylor, Dan Lannigan, Scott Bonarrigo, Jason Monteiro

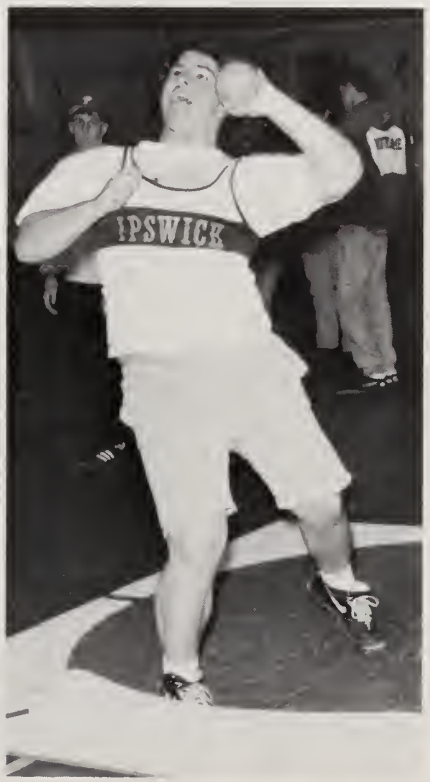
# BACK ON TRACK

With only few athletes available, the girls' winter track team worked together as a team, as well as individually, gaining great personal satisfaction and performing very well. Track is about hard work, dedication and self-discipline. The I.H.S. girls' track members all exhibit those qualities. Ipswich's competitors, the majority being large, private schools, prevented the team from competing as well as they would have liked. The girls will not forget one, never-ending question, "Do we really have to run the relay?"

**T to B, L to R:** Kate DeSilva, Kelly Tivnan, Sara Hoomis, Margo Mercier, Coach Scott MacKenzie, Lindsay Joss, Lindie Hughes, Sarah Kingston, Julie Warner

# THE BEST KEPT SECRET

The boys' winter track team, like the girls', was faced with a problem in numbers, but certainly not n talent. They persisted and managed to end the season with a record of 8-2 and in second place. They always worked towards their best time, throw, or jump. Rain, sleet, nor snow could keep the dedicated group from striving for excellence.



# I.H.S. CO-ED CHAMPS

The I.H.S. second co-ed, winter cheerleaders worked hard this season and they gave an impressive show at the 1993 Annual Cape Ann League Cheerleading Competition. All of the aches, bruises, and months of practice paid off as the team rose to victory for the second year in a row. The winter season was very successful for the team as they helped cheer on the basketball and hockey teams. All of the members quickly grew close as teammates and as friends. The cheerleaders managed to work hard, look good, and have a ball at the same time. Their spirit and encouragement was greatly appreciated by each winter athlete. The I.H.S. cheerleaders are to be commended for their persistence, dedication, and constant improvement!

# WE MADE IT!!!

How can we start to thank our supportive and helpful advisors? Mrs. Bini- We will always be grateful for your assurance and of course, great recommendations. Mr. Merrullo- We did it! We bet you thought we would never get those finances in order, huh! Mr. Winters- "Will you look at one more article please? I need it in five minutes, O.K.?" Most importantly without our patrons, we would not have a book. Your support is greatly appreciated.

To our fellow classmates, here it is! The book you have all been waiting to see. We hope that you all enjoy the hard work. You'd better! We wish you the best of luck as we go our seperate ways. Always remember the best of times we have had at IHS. Take this book and cherish the memories you find in it.

Gratefully Relieved,
Chloe and Amybeth

# Footprints

ONE NIGHT A MAN HAD A DREAM. HE DREAMED HE WAS WALKING ALONG THE BEACH WITH THE LORD. ACROSS THE SKY FLASHED SCENES FROM HIS LIFE. FOR EACH SCENE HE NOTICED TWO SETS OF FOOT-PRINTS IN THE SAND: ONE BELONGED TO HIM AND THE OTHER TO THE LORD.

WHEN THE LAST SCENE OF HIS LIFE FLASHED BEFORE HIM, HE LOOKED BACK AT THE FOOT-PRINTS IN THE SAND. HE NOTICED THAT MANY TIMES ALONG THE PATH OF HIS LIFE THERE WAS ONLY ONE SET OF FOOTPRINTS. HE ALSO NOTICED THAT IT HAPPENED AT THE VERY LOWEST AND SADDEST TIMES IN HIS LIFE.

THIS REALLY BOTHERED HIM AND HE QUESTIONED THE LORD ABOUT IT. LORD, YOU SAID THAT ONCE I DECIDED TO FOLLOW YOU, YOU'D WALK WITH ME ALL THE WAY. BUT I HAVE NOTICED THAT DURING THE MOST TROUBLESOME TIMES IN MY LIFE THERE IS ONLY ONE SET OF FOOT-PRINTS. I DON'T UNDERSTAND WHY WHEN I NEEDED YOU MOST YOU WOULD LEAVE ME.

THE LORD REPLIED, MY PRECIOUS, PRECIOUS CHILD, I LOVE YOU AND I WOULD NEVER LEAVE YOU DURING YOUR TIMES OF TRIAL AND SUFFERING. WHEN YOU SEE ONLY ONE SET OF FOOT-PRINTS, IT WAS THEN THAT I CARRIED YOU.
